

## **SKIPS ON SITE**

***When a skip is on site, you can fill it with waste from your allotment only***

***No green waste***

***DO NOT overfill***

***No dumping beside the skip when full***

***No dumping before the skip arrives***

***No waste from off site***

***There will be another***

***scrap metal collection in the future***

***(so please hold on to scrap metal for recycling)***

***Please be considerate***

***Thank You***

***The Committee***
